Oratory Skills

Dear Virgin Territory,

Just wanted to thank you for including Lorna in your July '12 issue. She reminds me of the first girl I ever fucked with her innocent but lusty minx of a face. I remember it like it happened yesterday, beginning with the accidental flash of her cleavage when she leaned over to pick up a towel by the side of the pool. But it wasn't just any cleavage, it was hot flesh heaving and wanting me. She was like this sex goddess that saved me from a sea of what seemed like eternal virginity! Why she wanted me? It's hard to say, but we definitely had chemistry with unstoppable force. The photos make me want to kiss and lick her wet pussy until she moans and cums so hard. I would

kiss her all over, from her asshole to her clit, not stopping until I lost feeling in my tongue and got lock-jaw, I swear! If they had some kind of oratory program at the University of Phoenix, I would absolutely have a PhD!—L.K., San Francisco, California

Dear L.K.,

A PhD oratory program? Are you planning to run for public—I mean—public office?

Lorna makes one reader want to put his tongue to use on her tight body.

Leila was featured in *Naughty Neighbors*. Wanna see her here?

But seriously, Lorna is unforgettable!

Flattie Fanatic

Dear Virgin Territory,

I've been a fan of 18eighteen for many years, going back to the early days when it was still searching for direction. I wrote to the magazine quite often, lobbying for a venue that would showcase the super-flatties and avoid the ruck of big-breasted models. I can say, over the years, that your magazine has consistently delivered.

I have always liked the Virgin Territory feature. I see the letters are pouring in, celebrating the virtues of the alluring Trinity from March '12. I couldn't agree more. Trinity is one of the greatest flatties ever featured, and deserving of all that praise. Brie also graces that issue. I love her bright, puffy nipples and amply protuberant labia. These young women bring an element of eroticism as well as beauty to the page. I'm surprised by some of the reader and editorial comments.

There seems to be some questions why these exotic traits are found to be so interesting. Many of

your models are very beautiful women, but beauty can only take things so far. The women who appeal to readers have something special. It's no secret that eroticism transcends beauty. You featured Iwia, who has inordinately large areolae, but very small breasts. She commented that she felt this might be some sort of flaw in her beauty. Far from it! It makes her really something special. Thanks to 18eighteen for finding and showcasing these exceptional girls.

I would be remiss if I didn't remind your readers that your sister publication, *Naughty Neighbors*, is just as great as 18eighteen. I have been a follower of both magazines for years. The June '12 issue of NN features the lovely Leila, arguably the greatest super-flat-tie ever. Hopefully, you'll feature another layout of Leila for the readers of 18eighteen.

Kudos to the editors and staff of 18eighteen and NN. Your work is legendary. No other magazines even come close.—D.B., Phoenix, Arizona

Dear D.B.,

Thank you for such a thoughtful letter. And we are right there with you—we love girls with

unusual features and welcome them.

Brown Eyes

Dear Virgin Territory,

Jenna and Rilee, they are so hot and Jenna has the most beautiful, perfect breasts I have ever seen. Obviously I'm not lucky like you guys and get paid to look at porn all day, but I only have to think of Rilee's breasts and my pants start bulging. I also like that they don't have any tattoos. What do you need ink for when you have all of that luscious skin! Some of the girls are way too skinny too. It's like, I don't want to jack off to this anorexic girl, I want to feed her a hamburger! But Jenna and Rilee are both just the right size and have gorgeous eyes, like two Hershey Kisses. I could get lost in eyes like theirs. How glorious! Thank you!-J.C. Detroit, Michigan

Dear J. C.,

If you liked Jenna and Rilee's brown eyes, check out the brown eye action Rilee is giving Jenna on page 6!

Inspired by Zoey

Dear Virgin Territory,

This letter is for Zoey Kush. Never before have I written to a lady I've seen in a magazine, but my infatuation for your beautiful body and winning smile compelled me to do so. I've put this off a little late so hopefully you will receive it. The reason I refrained from writing was that I did-

n't think you would be interested because I'm an old man at that perfect number of 69 years of age.

If I ever had a chance to be with you, you would see and enjoy what my years of experience would do for you. I have never left a woman wanting and your gorgeous, sweet body would take me to a pinnacle of wanting to give you an orgasm of such magnitude you've never yet enjoyed. And that's just with oral. It would take too much space and time to relate what and where we would end up when we got to the physical aspects of our night of debauchery.

I will continue to consider you as a perfect piece of feminine pulchritude. By the way, I'm the originator of the itty bitty titty club and I truly hope that you and other small-breasted ladies don't go for enhancements. You're perfect. Have a wonderful life.-J.S., British Columbia, Canada

Dear J.S.,

It's a special feeling when you find a girl so striking that she moves you to do something you've never done before. Even if it is something as small as writing a letter to a magazine. Take this extra photo of Zoey as a token of our appreciation.

Jacking to Jessi

ball-drainer. It was jam-packed with smoking hot teen sluts, three hardcore shoots, two beautiful creampiees (which lately you have been rocking with) and a teen butthole special. When I opened the plastic wrap and saw brace-face Rilee on the cover I just knew I was in for a real treat.

The first sex kitten in this issue that woke my cock and the first hardcore layout was Liza. I was in absolute amazement when I saw that she lost her virginity after being a virgin in the Holiday '11 issue. She looks like she gives amazing head and the two shots of her on page 13 show just how wise-tight that pre-fuck pussy is. Liza's whole shoot was awesome except for the cum shot at the end,

This picture of Jessi's sexy self is worth a thousand boners.

You'd think after getting popped for the first time she would've wanted to wear more of that cum. Elle was next and I adored her twat shots on pages 22 and especially 24. She can ride my college cock any time, and her tiny tit-ties are just perfect, just the way I like them. Lorena was third in line and while definitely not the hottest teen I've seen, her pussy pic on page 32 got my cock rock hard. It looks so beautiful and delicious, and her clit looked like it was begging for a licking.

Jessi was next and is the number one hottest fuck bunny in this issue. From head to toe and everything in between, she is pure amazing, unending beauty. She truly got my cock twitching. There was not one bad

naughty Fuck buddies VIDEO PICK

It always starts off innocent. Some friends are hanging out in a pool or at someone's house. Everyone is talking and having a good time, when something in the air changes. The mood suddenly becomes sexual and the girls want to kiss each other, which leads to them taking off their clothes. Or couples get caught up in the moment while making out and start undressing each other. They're so horny they don't care that other people are around. In fact, they like it. And that's what this DVD is all about. Friends who fuck in front of other friends. Some of them swap partners, and all of them are watching and being watched as they screw!

One of the best times for group sex to happen is when it's unplanned. When it catches you by surprise the fucking and cumming is that much more fun. Such was the case with Allison and Samantha. The guys were watching football and the girls were bored. The only thing that was going to get the guys' attention off TV was sex, so the girls stuck their asses and pussies in their faces! We don't care how good the game is. When two hotties like Allison and Samantha want to fuck, you stop what you're doing and stick your dick in their tight holes. In addition to this scene, Allison also has another voyueristic sex scene at a barbecue (not pictured here) in this DVD.

naughty Fuck buddies

It starts off as fun and games, and ends with sex and cum! Two guys ambush their gal pals with water guns and spray them till they're soaking wet. All the excitement gets Stacey and Jessica's pussies wet, too! It turns into a wild foursome with the girls trying to out-suck and out-fuck one another in a little friendly competition. But in the end, they both get equally large loads of cum to enjoy!

Sydney American Pie

Hey, Sydney! What's your favorite thing about living in the South?

"I love guys and their trucks. Actually, I recently had sex for the first time in the back of a pick-up! We did it doggie-style, which is awesome, but I want to try it other ways and without bug bites."

How did you get so flexible?

"I'm really into cheerleading and I just took my first pole dancing class. I love it! It's a great way to stay in shape and feel sexy at the same time. I have fantasies of guys watching me pole dance and it gets me so horny and wet, although the girls in the class are really hot, too! I love to watch them move their tight bodies. I'd never thought of girls in that way until I started pole dancing."

So what kind of guys do you usually like? Bad boys? Nice guys? Older?

"I love guys that can make me orgasm. When I first started having sex it was kind of awkward, but now it's much better because I know what I want and how to get off with a guy. But more importantly, they have to make me laugh! Oh, and I like sporty types. Their bodies are always so sexy and built, and typically they are also well-hung. [Laughs] I want a guy who has good work ethic with his oral skills! It takes me a long time to cum during oral sex, but seeing me moan and shake all over is definitely worth the work!"

Clothes-shopping wasn't my thing. But I was up for a promotion, and I knew I had to look good if I was going to get out of the mail room. I had no idea that the 18-year-old girl who would be helping me get into some new clothes was going to be twice as happy getting me out of my old ones. When she stole my jockey shorts, I didn't mind being...

Underdressed for the Occasion

By Joe Monks • Illustration by Otis Sweat

I needed some clothes. Namely, a decent pair of pants and a shirt. Casual, but sharp. In other words, an upgrade to my entire wardrobe. I had an important meeting tomorrow with the boss, which meant a chance to escape the shipping clerk gig I'd had since graduating college on the five-year plan a couple of years ago. I wanted a better apartment, a nicer car and the bucks to take girls to

nicer places. No problem, right? Well, I hadn't expected it to be, but things changed when I walked into the store named after an aging military branch and realized how long it had been since I'd bought anything besides jeans and concert tees. I had my work cut out for me.

The place wasn't crowded, and it was early, so I spent a while scoping out two chicks—one wearing a pullover sporting my alma mater on the chest. Pretty nice chest, too, from what I could see. I didn't want to look like a stalker, though, so I had to watch from a distance. I wasn't going to wander over into blouses and hip-huggers to get a better look, but both of them were hot, and I had a hard-on that was gradually making my more-than-strictly-stylish hole-pocked jeans tight. Both of them were blonde, one a dirty blonde with her hair up in one of those plastic clips. The other one, with the boobs that were bending my alma mater's logo in all sorts of interesting ways, wore hers long and curly.

I was thinking that she had the perfect hair to grab a handful of while she

was down on her knees sucking my dick, when I saw a cashier checking me out. Not in a good way, though. Oh well, maybe I'd cross paths with the blonde with the puffy cock-sucking lips on my way out. If I had a nicer set of wheels, I could offer them a ride. The thought of getting the three of us into the back seat of my Chevy, though, presented a physics problem I would've liked to tackle, even though I'd dropped physics seven years ago rather than fail it.

I noticed her nips again, standing up at attention like my cock.

"Need some help?"

What I really needed was for cashier-girl to ignore me, and the objects of my ménage à trois fantasy to strip, announce they hadn't been laid in months, and go postal on the only dick in sight. Mine. I hadn't exactly been getting a lot, if you couldn't tell.

The girl standing next to me—she had to be ten years younger than I was—gave me the eye. She was about five foot nothing and looked like a college freshman.

"Help," she repeated. "Y'know, assistance. Finding things. Like clothes, because, y'know, that's like, what we do here. Sell...clothes..."

I smiled, in spite of the sarcasm. She was cute. Had a spray of sun-freckles across her cheeks and nose, brown hair that was tied back in a braid, and though her tits were small, her nips were visible through her store-uniform top. If she was wearing a bra, it was the super-tight training model, because if she had anything more than an A hiding in there, it didn't show. My guess was no-bra. She didn't need one. Her ID badge said Leah.

"Pants," I said, checking out my personal sales assistant. "Nice ones, but not too dressy. And a shirt. Not a button-down."

"Let me guess. Job interview?" she asked, flitting past me and heading up the aisle.

"Uh, how'd you know?" I said, following her. Leah might've been tiny, but she had some major-league curves going on downstairs. Wasn't a big ass, but it sure was nice to stare at. The hard-on that had been plaguing me since setting eyes on the blondes did not waver. Did I mention I hadn't gotten any in a while?

Leah reached the pants rack and cast a dismissive glance at me. In particular, what I was wearing.

"Kings of Leon and the jeans you graduated high school in, for starters," she scoffed, torching my wardrobe in a single sentence.

"At least I graduated," I mumbled. "And so what? They're comfortable."

"I graduated too," she shot back, stepping back and using her hands, palms up, to display her outfit. The pants she was wearing were nice, clingy. And the shirt wasn't a uniform, just the name badge. I noticed her nips again, standing up at attention like my cock. Was it cold in here, or did Little Miss Fashion have a case of titty

hard-on as severe as I did blue balls?

"Here, take these," she said, shoving a handful of hangers into my hand.

"But...you don't even know what size I am," I sputtered, as she pointed toward the dressing rooms. She shot me a smile that made my nuts tighten.

"I've seen some guys," she explained, looking me up and down. She couldn't possibly have missed my bulge. "I've got a pretty good idea how big you are."

I went into the stall to change. Had a hard time unbuttoning my pants because even though the blondes were rockin', this girl was fucking hot.

I finally got my jeans down, and yanked off my jockeys, wiping the pre-jizz off the head of my dick and hanging my bottoms on a hook. I slipped on the Dockers she'd given me, and ran through the shirt options. Everything pretty much looked okay. I tried the other pants, ran through the routine again. I settled on the Dockers and two of the shirts, then pulled my Levis back on and carried the stuff she'd given me to her register.

"Aww," no fashion show?" she teased, trying hard to smother a giggle.

"No runway," I said. "Sorry."

She ran my card, handed me my receipt and the bag.

"Me, too," I heard her say. I was already about to step out the door, though.

When I turned back, she was gone.

I was home, and figured I ought to check out how everything looked together before waiting until the day I was supposed to wear it. I had one leg in the Dockers when I realized something.

My shorts. I wasn't wearing them.

"Oh, shit..."

I was back in my jeans and in my car, obeying traffic laws—but just barely. I did not want that pair of underwear found by some dude working at the store. Not that I was attached to them, but because those turning up would fuck up my plans. I'd only taken two of the shirts, planning to go back later in the week to get the third. And maybe Leah's number. Especially if I got the promotion. I could even say she was partially responsible. I had to say something, after all. I didn't exactly have a lot of smooth lines to use.

The place was just as empty when I got back. I didn't see Leah, which I took as a good sign—and headed straight for the dressing rooms. A quick glance in told me the coast was clear, still no guys shopping. I stepped into the stall and closed the door behind me.

Nothing.

Well, not quite nothing. The empty hangers were still on their hooks. The shirt I hadn't taken was just where I'd left it. A balled up flyer was still sitting where I'd kicked it not twenty-five minutes ago. This had to be it. It had to be the same dressing stall...

"Need to try on something else?"

I hadn't heard Leah come in, but I hadn't remembered to lock the door, either. After all, I hadn't planned on

**Welcome
Cassie! Are
you as sweet
as you look?**

"First impressions are funny because people aren't always what they seem. Like me, most people think I'm shy and sweet, even innocent, and that's true to a certain degree, but I have the dirtiest mind ever. Even though I've only had sex a few times, I have fantasies of doing all kinds of kinky stuff. Sometimes sex is all I think about! It's kind of an obsession, probably because I hardly ever get the chance to hook up. I'm too shy to make a move! Hopefully I'll find a guy who can help me open up a little and test out my wild side. The first few times I've had sex were good but I really want to try something a little crazy. I love masturbating but it's just not the same!"

What's your favorite fantasy?

"I keep thinking of the same scenario—an older guy pulls me into his office and fucks me from behind. It's gentle and rough at the same time. I love the contrast of rough and soft!"

**Cassie, you have
an adorable beauty
mark on your ass!**

"Thanks! I used to be kind of embarrassed about it but the last guy I was with was obsessed with it! He kept kissing it over and over and said it was the best thing about my ass. It's funny how imperfections can be such turn-ons. Perfection is boring anyway."

Alexis My First Tug

Alexis, whose hands are those?

"They're my boyfriend's. We've been watching a lot of porn together lately and he convinced me to take some nude pictures for him. I was worried that he might show his friends, but then I remembered I posed naked for you guys anyway, so why not do it for him? I think it's a great way to spice up your relationship. Cameras can turn nice girls into sluts!"

Did the camera turn you into a slut?

"Not all the way. But I did get pretty horny. My boyfriend wanted to have sex with me and film it, but I wasn't ready for that yet. But I still wanted to do *something*. And that's how I ended up jacking him off for the camera! I even talked dirty and everything. I always thought hand-jobs were a waste of time, but they can actually be pretty hot!"

A hand job is definitely a great start for you! Think you will eventually want to go further?

"If you would have asked me that a few weeks ago, I would've said no. But all the porn I've been watching lately has been making me reconsider. It seems like it would be fun, and not that big of a deal or anything. And I think I'd be good at it. I'll probably make a home sex video with my boyfriend first and see how I like it. I'll let you know!"

doing any more changing. Just pocketing my shorts and getting gone.

"Uh, no," I stammered. I'd been caught off guard and didn't put two and two together.

"You sure?" she asked, holding up my jockeys. They were inside-out, the cum smear clearly visible on the black fabric. Jeez. Leah ran her thumb across it. It wasn't quite dry yet...

"My guess is they already fit, but," she said, shrugging her shoulders. "Never know, might belong to someone else. If you just, y'know, take off your pants...we can find out."

Two and two had taken a long time, but I'd graduated college, and the math finally clicked. Leah had slipped into the men's dressing room. And locked the door. She was holding my underwear, running her finger through a still-sticky jizz-stain. And, she was asking me to take off my pants. I'd gotten invites to weddings that were less obvious.

I threw my shirt on the bench, and unfastened my jeans. Leah watched me getting undressed, her back against the door.

Thankfully, it was one of those stalls with a full door, not the kind with a big gap where people walking past could see your feet. I had no idea how long Leah could disappear for, but maybe if her co-workers thought she'd clocked out on break...

I kicked aside my jeans, my dick hard as calculus, the tip of my pole glistening like Leah's fingertip. She took an appreciative look at my throbbing cock. A nice, long look.

"Hmnnn," she opined, looking at my shorts and then at my cock, then down to the floor. "Maybe not."

"Maybe not what?" I asked, pointing. "Those are mine and you know it."

"These," she said, holding my jockeys out of reach. "Look like 32s. But those pants. Definitely a 34."

I gaped. I knew she was fucking with me, but damn. She was right. I liked my pants a little more roomy, and boot cut. But not my shorts.

"There's gotta be a way to convince you," I said, though I had no clue what that might be. Leah, though,

had already worked that out. She hung my shorts back up on the hook and, while I watched her, slowly ran her finger across her tongue. The finger she'd been running through my pre-cum.

"Okay," she said, nodding. "Now I'll check to see if it's a match. I'm an expert at that."

She dropped to her knees, grabbed my shaft, and wrapped her mouth around my cock. Suddenly, I felt like I was the high school kid, staring down at the top of Leah's head and being so surprised I didn't know what to do. She worked me over good, fingers playing with my shaft, tickling my dickhole, looking up at me, my tip still between her lips.

"I guess they're yours," she said. "If you want to take them now—"

"Maybe that kind of experiment's good enough in high school," I said, my hand tangled up in her soft, brown hair. "But I think you ought to get a bigger sample before you decide."

Leah's mouth was hungry for cock, and I slipped deep into it, both hands on the back of her head now. For a girl who hadn't been eighteen long, boy could she suck cock.

While Leah slowly worked

down my long bone, I undid the top button of her shirt and reached in, grabbing for those hard, little nipples. Her boobs were just as underdeveloped as I expected, and her perky gumdrops felt red hot against my palm. I gave them each a squeeze, tugging gently on them while she was gagging on my tool.

C'mon, Leah, that's right, you can do it. Suck my cock, I urged silently, not wanting her to break her rhythm. Her breath came whistling through her

nose, her mouth crammed to over-

flowing with cockmeat. One of her hands was on my balls, cradling them. When I gave her nips a tweak or tug, she'd reciprocate with my sac, now slick and slippery with her spit.

The backs of my legs were pressed against the bench, and Leah was steadily swallowing my dick down to the root. I grabbed a hold of the clothes hooks, leaned back, and thrust up into her mouth, filling it with the last two inches of my manhood.

Leah struggled, but managed to get it all down. My cock was a good three inches down her throat, but she

"I like the mysterious ones. They surprise me in bed. You know the kind, strong and silent. The ones who don't talk too much. I can't stand it when a guy talks too much. Say what you need to say, then stop. There are much better uses for your mouth other than blabbing away. Like eating my pussy!"

Hello Lacey. We see you have been busy. Were you late on rent again?

"Yes! I told my landlord I couldn't make it to the ATM because I was sick, so he checked the temperature in my butt. Obvioulsy I wasn't sick. "Honestly, yeah. I don't want him to be my boyfriend or anything, but I do think he knows how to work my pussy with his cock. And one of the best things about him is that he doesn't cum too fast. Nothing spoils the fun when you're getting into sex like the guy blowing his load too early!"

So why are you always broke?

"I'm just a simple girl from the country. I'm not used to the hustle and bustle of the rat race. Plus, I love to shop and I love Gucci! I should find me a sugar daddy."

didn't stop sucking. Her tongue lapped at my shaft, her lips and hand worked the rest as I slowly rocked in and out of her mouth. I was about to blow my load, and Leah knew it like she'd been taking my jizz-pulse through my balls. I made eye contact with her again, and she knew the question I was leaving unasked.

"Twf roo stoot ir mah mouf," she said, slobbering all over my dick. "Ith won be ath methyl as yowr shawts."

Translation: She wanted my hot cum in her mouth.

Which is how I gave it to her. I

grabbed her ears and face-fucked that little slut until my jizz was running down her chin and trickling over my nuts. I was trying not to grunt, because I didn't want to

draw any attention to us, but it was a fucking massive load. Leah kept at it, sucking it out of me like if she missed a drop, she'd be demoted back a grade in cock-sucking school. Weak-kneed, my reservoir of semen totally tapped out, I slid down the wall onto the bench, while Leah proceeded to swab the last of my creamy baby batter off my junk.

"Come on, I said after catching my breath. "Let's get out of here and—"

"Why?" Leah asked, stripping off her top. "You afraid to get caught eating my pussy?"

Her pants slipped down to her ankles. She was wearing plain, white bloomers and they were wetter in the crotch than my jockeys had been. They were just simple, plain, cotton panties. But they were the sexiest

things I'd ever seen.

Leah didn't waste time. She stepped in between my legs and tilted her hips toward my face. I think I tore the waistband ripping off her panties. She let out that same little giggle, the one that had caught my attention at the register. I cut it off in her throat when I buried my face in her muff.

Leah had a rich, musky taste. She smelled like wet cotton and sweat and damp pussy. I probed her cleft with my tongue, dragging it extra-slow over her clit while she did her best to hold in a squeal. As it was, she squeaked a little, while I continued tonguing her snatch, working her pink like a dog at his water bowl.

Leah threw her head back and started breathing fast, grinding her lips into mine. Cunt crème coated my face, and dew dripped steadily into my open mouth. I grabbed Leah's ankle and lifted her leg over my shoulder. The ball of her tiny foot and her scrunched up toes barely made it to the bench to support her.

But her fuckhole was wide open now, her folds parted. I tickled her oily slot. Leah grabbed the back of my head and if I didn't know better, I'd think she was trying to suffocate me in her nest of pussy fur. Leah

was natural top to bottom. She wasn't shaved—no landing strip or bikini trim for her. My guess was she didn't trim at all. She wasn't overly bushy, but fuller than the girls I'd dated since getting out of high school. I was betting Leah looked sexier at the beach in a one-piece than a bikini. I made a mental note to try and find out.

"Oh, do it, Greg," she hissed, nails digging into my scalp. "Put your tongue in me."

So, she'd remembered my name from swiping my card. I wondered. Had she come into the dressing room after I left hoping I'd left something behind...or had she been watching me while I was changing?

Didn't matter now. I'd already pumped a load of ballsauce down her

throat and any second now, she was going to cum all over my face. I inserted my index finger into her tunnel, opening her up so I could tongue-fuck her juicy hole.

It was a good thing there were hooks on every wall, because even though Leah was short, she held herself steady by grabbing onto the hangers, which were the good old-fashioned wooden kind. They rattled when she came, hot, sticky love lube dribbling out of her.

I slowed up a little, letting her think I was done. She was just starting to pull her leg back over my shoulder when I zeroed in on her clit, sucking it like there was no tomorrow. I waited. Her muscles flexed, then loosened. When they did, I slammed two fingers knuckles-deep into her box.

The sound Leah made wasn't quite a shriek. It wasn't quite a moan. It was sort of like the sound a girl makes during a horror movie when she thinks the cat is about to get it, and turns away from the screen, biting her lip and burying her face in your shoulder. Only, Leah was butt-naked, and it was her bare thigh on my shoulder, her twat raining girl cum down on me while I fingered and ate her. I probably wouldn't get her number if she got fired, but screw it. She'd started it. She'd told me she wanted me to go down on her, here, instead of heading back to my place. She couldn't blame me if I got her off so good that she couldn't keep quiet.

Leah doubled over, almost losing her balance. She humped my face, snatch-lather practically clogging my nostrils. Pussy juice streamed down my hand. I went to wipe it off on my thigh, and knocked against my cock.

And I noticed it was ready for action once again.

I let Leah get both feet back on the floor, though she was unsteady standing up on her own. Not that I left her that way for long. I wiped the rest of her drippage onto my prick and spun her around, yanking her into my lap. My fist was wrapped around my cock, guiding my meat missile directly into her creamy canal.

It wasn't gentle, and Leah slapped her hands over her mouth so she didn't give us away. I gave her a reach-

around and flicked her nipples, which were swollen to the point of bursting. I bit her ear, fucking her from behind, feeling her wetness on my thighs.

I pulled her legs apart, and she bent forward, giving me a good look at that tight, little asshole of hers. I thought about jamming a sticky finger up it, but wasn't quite sure she was ready for me to take advantage of the back-door entrance. So I let her ride my cock, feeling her approaching another climax.

I lowered her onto the floor, keeping her on all fours so I could properly do it to her doggie-style. Leah swung her head back and forth, the muscles in her neck and shoulders bunching as I poured every inch of dick I had into her. Her puckered, little bunghole winked up at me, and again, I thought about how she'd react if I gave her a little ass-play. Thing was, I wasn't sure how much

longer I was going to last. Leah's twat was wetsuit-tight, like her cunt had been molded around my cock. My balls were slapping away at her curtains, soggy and ready to expel another wad of man milk.

She looked over her shoulder at me, her expression screaming, "I'm gonna cum!" Right then she was the hottest piece of ass I'd ever had. She opened her mouth to tell me something.

Which was when one of her co-workers came in.

We both heard the footsteps. Leah's already-tight cooze clamped down on me like a fleshy mousetrap. She mouthed, "Uh-oh."

I held back from banging her into her next cum. Not that I was going to be able to for very long. My nuts were moving quickly from SIMMER to BOIL. Leah's pubes tickling them didn't help any. I was on the verge of cumming inside her.

Hangers clattered into a bin. A shadow passed in front of the door. It paused for a second, and as it did, I felt Leah's hand reach back, between her legs, and cup my scrotum. I

"I'm from Ohio and I just graduated high school. I can't wait to start college and meet new people. I'm what you would call a late bloomer, so having these photos taken was a big deal. I was nervous! I'm considered kind of a nerd by friends. I'm in the chess club and I'm still a virgin. But that doesn't mean I'm not horny like all the guys at school. I think about sex all day. And now that I've had these photos taken I really get wet when I think of all the guys who are going to be getting off on the loveliness of yours truly!"

We love nerdy girls! What's your favorite thing about the chess club?

"Well, besides beating guys at it, I love how the nerds are so desperate to get with me. I obviously haven't had sex with any of them, but I'm sure I could if I wanted to. I caught one of them looking at my cleavage when I leaned over for a checkmate, and even though I tried to play it cool, I got really hot knowing he was checking me out. Maybe if they made the chess club shirts more low-cut more guys would want to join. Girls who are good at chess and show off their chest rule!"

In *18eighteen* there's a certain hierarchy of hotness. For example, flatties and cotton panties rank pretty high up on the spectrum of sexy things we put in our magazine. But in *18eighteen*, nothing gets cocks pointing straight into the sky quite like braces. First of all, they are rare to come by. Secondly, nothing represents youthful innocence quite like a mouth full of metal. To some people they may seem awkward, but readers can't get enough of brace-face cuties. Whenever we feature a girl with braces, we know the letters are going to pour in for her. Like in the case of Jean, our most recent metal-mouth babe. She's already a classic *18eighteen* beauty with her slender body, flat chest, dick-sucking lips and cute face. But the braces give her the edge. She has a sparkle in her eye and a silvery glimmer in her smile!

Braces may not last forever, but the pictures of them on our pages will always be there!

We all know that eventually braces have to be removed. For instance, the photo above of Amai was from her first shoot with us. She had braces for a while, but eventually returned for another shoot without them. She is still adorable with or without braces, but we're glad her metal mouth is forever documented in our magazine. Did you know that when we first shot Amai she was embarrassed of her braces? "I don't think people will like the way they look," she said. But with a little coaxing and assurance that 18eighteen guys love braces, she relaxed enough to part her lips (both pairs!) for us. Mia is another hottie who appeared once with braces and once without. She debuted in the Holiday '08 issue sporting a glorious metallic smile. Then in June '11 she returned in another layout with brace-free pearly whites. "I actually like my braces," she said. "I think they look cute on me." We love her either way!

Eontrary to popular belief, braces don't actually get in the way of blow jobs. How do we know? Because we've seen it! Sasha fucked for us and her blow job was smooth sailing. She even got a hot load of cum all over her braces! "Once you get used to having braces, sucking dick is easy. No guy has ever complained about my braces in any way," she said. Jean is another one who did hardcore with us. Her cock-sucking skills were amazing, especially since she has such big, beautiful, puffy lips. And horny, little Moretta not only sucked and fucked for us, she also took a cock up her ass! We examined their scenes very closely and can confirm that if anything, braces can make sex hotter!

UNDERDRESSED FOR THE OCCASION

Continued from page 62

shook, trying to hold my shit together. She was licking her lips. She knew how close I was to blowing inside her—and it didn't look like she cared that I was riding bareback.

Whoever was out there finally went on his way. Or her way, I had no way of knowing. I pinched Leah's tits and plowed into her, sending us both careening over the edge.

I pulled out, firing a rope of seed across her shoulder and into her hair. If she'd have been looking at me, I would've cum all over her face. My next spurt was even harder, and instead of landing on her back, where I expected, it splattered into the door. After that, though, things settled down. I let loose a few more squirts of spooze onto her back, and leaned against the wall, spent.

Leah used my shorts to wipe the jizz off the door, then cleaned herself up using her own bloomers. She kissed me hard, on the mouth, and then got dressed.

She didn't say anything as I pulled on my own clothes, but she definitely looked disappointed when I zipped up. She folded her panties into a small ball, and jammed them into my pocket. Then she did the same with my cum-slimed jockeys.

"I can take you to my place," I volunteered. "We can wash these out so you don't have to do it at home."

"Good," she said. "Wouldn't want to get caught by my mom with my undies looking like that."

"Well, better that it's on these than inside you," I said, grinning mischievously. Leah made a show of licking clean her fingertips.

"Oh, there's plenty of better places to get cum," she said. "Plenty."

She winked at me, then stepped through the door, leaving me alone with a pocketful of semen-soaked underwear. The loudspeaker overhead crackled.

"The store will be closing in five minutes. Please, bring your final purchases up to the counter. The store will be closing in five minutes."

Plenty of better places to get cum, I thought, heading for the door. It was going to be a long five minutes. **18**

Shy Slit

This is the first time you've posed nude, and we are thrilled. What about you? Are you having fun?

"I was a little nervous at first, but it was such a beautiful day and the sun felt really good on my boobs. Plus it was cool to feel sexy and really show off my assets, you know?"

You seem a little shy. Does that mean you're a virgin, too?

"No, I've had sex before but only a few times. I'm not a slut or anything. If I seem shy about showing my pussy it's because I was nervous. Just letting it all hang out in the open is scary when you've never done anything like that before. It didn't help that my boyfriend didn't want me to take the photos. But when he saw me like this it actually turned him on. When we got the photos he banged me harder than ever before."

"Yes! The more sex, the better. That's why I spend a lot of my free time with my boyfriend. He's really generous in bed, too. He'll be down there for hours it feels like. He's older than me so he has more experience with sex. Aside from that. I also love to swim. Actually, the water was the first place I ever had sex. I especially love to skinny dip. photo of Jessi in the whole layout. I loved each of the pics where she is fingering herself and pre-cum was oozing out of my cockhole when I saw her pussy and asshole shot on page 38. Can you please feature at least one of these kinds of shots in each issue? Jessi would look so good with a load of hot, sticky jizz seeping out of the pussy in a shot such as that.

Thank you for another stellar issue.—M.F., Harrisburg, Pennsylvania

Dear M.F.,

Stay tuned for more hot photo sets of the incredibly sexy Jessi!

Jean's Bootyhole

Dear Virgin Territory,

What a way to start your July '12 issue with one of the hottest brace-face gals that's ever been in *18*! Jean is definitely everything I want in a woman. She has the hottest looking butthole and pussy of any of the brace-faced models that have been in *18*. Her backdoor pucker is a combination of the orifice style anus that Heather of the Jan. '10 issue has, the brown eye special that Nikita of the Oct. '09 issue has and the starfish type that Zoey of the Dec. '11 issue has. She also has super thick pussy lips and a big clit.

Jean is so hot from the tip of her head all the way down to her toes. She has the most beautiful brown eyes I've ever seen, and such beauti-

ful, luscious lips. A guy would want to be French kissing her all day long with her braces and sucking on her beautiful nipples. She also has that orifice type or outie style anus with that thick ring-like muscle around the hole. That is great for French kissing. A guy can stick his tongue deep into her hole while sucking her ring to really get a good taste of her flavorful ass. A guy would also like to do a lot of licking and sucking of her pussy.

Well, I hope we get to see a lot more of Jean in future *18*eighteen issues. She looks so stunning in all of her 19 photos. She makes my cock rock-hard, and she makes me orgasm hard. I especially like her photos on pages 20, 21, 24 and 25. She is so easy to fall in love with. I would love to taste and kiss every inch of her hot body.

Don't Jeans pussy and asshole look so inviting and tasty that you want to give her the best tongue-lashing that she's ever had? I think I'm in love with this beautiful lady.-K.C., Anamoose, North Dakota

Dear K.C.,

You certainly are an anus expert. We commend you for the detail with which you note each teen starfish featured in *18*eighteen. Here's a bonus photo of Jean's "flavorful ass." Enjoy!

Meaty Curtains

Dear Virgin Territory,

Hayden's Hole

Dear Virgin Territory,

I'd be more than happy to show Hayden what it's like to fuck in a dressing room. I'd also be glad to give her that kinky experience she's looking for. There is something about her that is really sexy. I felt myself coming back to her pictorial time and time again, for days after I had finished looking through the

Even just one finger is a tight fit inside Hayden's pussy.

magazine. I'm a sucker for slim blondes; can you tell? Hayden has a perfectly pink pussy. The way her finger fits so snugly inside of it on page 35 makes me think she's very tight. I can't tell you how many times I came to that picture, imagining that it was my cock stretching out her tight, little hole instead of that tiny finger. Thank you for an amazing layout of an amazing girl.—R.B., via email

Dear R.B.,

We wish we had photos of Hayden's pussy getting stretched out by a cock, but she doesn't do dudes on-camera. The closest we got to it was the set of her getting it on with Elle in the Sept. '12 issue.

Megan Fuck Pass

Hey, Megan! Who is the hottest guy at school?

"I know this is going to sound weird, but I think the hottest guy is the custodian. All these other dudes just don't do it for me. But the custodian just has something about him that's so sexy. I always stare at him, and I know he notices it. But he looks away because he probably wants to be professional. But I don't care if he wants to be professional. I want to be a slut and suck his cock. So you know what I did? I told my teacher I had a bathroom emergency and got a hall pass, and I hunted down the custodian."

You hunted him down? Please explain.

"I knew where he would be, and I went after him. When I found him I pulled him into an empty classroom and threw myself at him. He was hesitant at first but men can only resist pussy for so long."

**So did you
get to suck
his cock
like you
wanted?**

"I got to do all that and more. Sucking his dick alone got me as horny as I would normally get if another guy were eating me out really good. I like giving head, but it doesn't usually make my pussy wet. But I did get wet when I was sucking him off because I had been craving his cock for so long. I was so aroused. Naturally, the sex was great."
